# Entering Canada by LAND during COVID-19

Travellers entering Canada must follow the rules set out by the Emergency Orders under the Quarantine Act to help reduce the spread of COVID-19 and its variants. Failure to comply with any requirements or providing false information may result in fines, penalties or imprisonment.
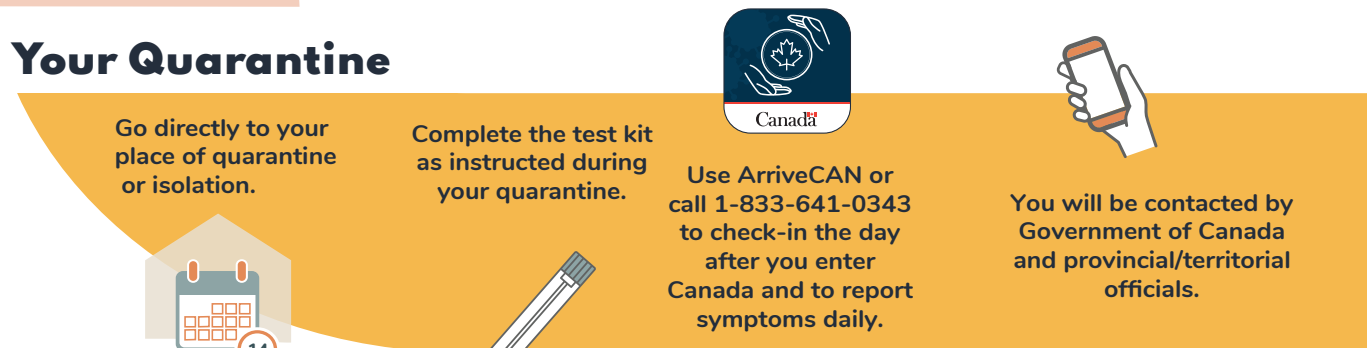

Before You Travel

Get informed.

Canada.ca/coronavirus

Plan for your quarantine.

Get a COVID-19 molecular test, taken in the U.S., within 72 hours before arrival at the border.

72ʰ

Use ArriveCAN to enter your information.

Have your ArriveCAN receipt and test result ready.

If you develop symptoms while in transit, stop and seek medical attention.

At the Border

Take a COVID-19 molecular test on arrival.

Provide required information and documents.

Wear a mask.

Collect a test kit for use later during your quarantine.

Answer eligibility and health screening questions including quarantine plans.

If you have symptoms or an unsuitable quarantine plan, your stay will be at a designated quarantine facility or other suitable location.

Your Quarantine

Go directly to your place of quarantine or isolation.

14

Complete the test kit as instructed during your quarantine.

Use ArriveCAN or call 1-833-641-0343 to check-in the day after you enter Canada and to report symptoms daily.

You will be contacted by Government of Canada and provincial/territorial officials.

> ⚠ Testing on arrival and during quarantine effective 2021-02-21 at 11:59 p.m. ET.
